## Letter of Appreciation

Prof. Hamzah M. Al-Qadiri

Food and Water Microbiology, School of Agriculture,  
The University of Jordan

Dear Prof. Hamzah M. Al-Qadiri,

It is with great pleasure and profound gratitude that we write to express our sincere thanks for your participation as a keynote speaker at the 2025 China-Honduras-Jordan Tropical Medicine Online Symposium. Your insightful presentation on "Antibiotic Resistance of *Salmonella* spp. in Raw Chicken Meat in Jordan", which provided detailed information on drug resistance in *Salmonella* spp. in Jordan, was an important reference and highly appreciated by the audience.

We hope this symposium has laid the groundwork for continued dialogue and partnership within our global community. We look forward to staying connected as we advance shared goals in global health.

Warm Regards,

Hong-Juan Peng
